

Arena 170

2-way 7" (178mm) Floorstanding Loudspeaker

Black

White

All the sound of a concert arena. Minus the price of admission.

With the JBL Arena 170 floorstanding loudspeaker, a true theater experience never felt so affordable – or close to home. The loudspeaker's High Definition Imaging (HDI) waveguide and 1-inch (25mm) soft dome tweeter, along with a 7" (178mm) polycellulose woofer deliver sensational power and precision that is able to produce accurate highs and lows. And no wonder: the Arena 170 is inspired by our own M2 Master Reference Monitor, considered by many to be the finest studio monitor on the market. The Arena 170 won't let you down when it comes to delivering affordable, crisp, dynamic, and accurate sound.

Features

- ▶ Inspired by JBL's legendary M2 Master Reference Monitor
- ▶ Signature JBL loudspeaker performance
- ▶ Understated, contemporary look and feel
- ▶ An audio powerhouse at an affordable price
- ▶ Just one part of an even more powerful system

Arena 170

2-way 7" (178mm) Floorstanding Loudspeaker

Black

White

Inspired by JBL's legendary M2 Master Reference Monitor

High Definition Imaging (HDI) waveguide technology takes its cues from the legendary JBL M2 Master Reference Monitor. Computer-optimized driver positioning and network integration result in ideal performance and lifelike soundstage imaging. Proven acoustic superiority through rigorous testing and real-world evaluation.

Signature JBL loudspeaker performance

7-inch (178mm) high-output polycellulose woofer operates in conjunction with a rear-firing tuned bass port, delivering accurate sound worthy of a standing ovation. 1-inch (25mm) soft dome tweeter provides clean, powerful highs. Tight, extended bass response optimized for show-stopping listening, whether for movies, TV, music or console gaming.

Understated, contemporary look and feel

Contemporary cabinet shape with angled side and top panels provide a sophisticated, modern look. Soft-touch paint around the transducers and on the waveguide. Available in black and white finishes with minimalist grilles and brushed metal trims.

An audio powerhouse at an affordable price

The perfect trifecta of JBL power, precision, and affordable pricing.

Just one part of an even more powerful system

Intended for use in conjunction with the entire series of JBL Arena loudspeakers: 2 floorstanding speakers, 2 bookshelf speakers, 1 center channel speaker, and 1 subwoofer model.
